International Water Forum Conference

Sousse, Tunisia, March 16-18, 2020

About IWFC-2020

IWFC is a bi-annual scientific international conference concentrating on the understanding of the water sources, groundwater functioning, water resources, engineering, management, and technology. This conference encourages the participation of experts and scholars in the corresponding fields. IWFC-2020 will be held in Hammamet, Tunisia, during March 16-18, 2020. The conference aims to provide a platform for experts, professionals, researchers, students as well as decision makers in related areas to share updated information and to stimulate a scientific discussion and an environmentally orientated communication among participants.

Main Themes

On behalf of the Committee of International Water Forum Conference IWFC-2020, researchers, students, professional, decision makers and all interested in surface water and groundwater, are invited to submit research papers on all crosscutting topics on water and environmental sciences, as well as on engineering, principally focusing on the following topics:

Topic 1. Water sources: Water security, management and governance and quality assessment

Topic 2. Climate changes and adaptation

Topic 3. Water treatment, desalination and innovative technology

Topic 4. Marine sciences and coastal environment

Topic 5. Hydrology, Hydrogeology and Regional groundwater flow systems

Topic 6. Geoinformatics, GIS and Remote sensing

Topic 7. Environmental Hazards and geo-environment

Topic 8. Thermal water and Ore deposit, geothermic issues and uses.

Topic 9. Water Energy: Assessment, Technology, and Feasibility

.

Important dates

- Abstract submission: Dec. 15, 2019
- Notification of acceptance: Jan.10, 2020
- Conference registration: Jan 15, 2020
- Conference date: March 16-18, 2020

Organizing committee

Dr. Maher Gzam, University of Gabes, Tunisia
Dr. Belgacem Agoubi, ISSTEG, Univ. of Gabes,Tunisia
Dr. Adel Kharroubi, ISSTEG, Univ.of Gabes, Tunisia
Dr. Noureddine Hamdi, ISSTEG, Univ. of Gabes, Tunisia
Dr. Mahmoud Bali, ISSTEG, Univ. of Gabes, Tunisia
Dr. Noureddine Majdoub, Univ. of Gabes, Tunisia
Mr. Abdelhadi Dribat, Selçuk University, Konya, Turkey
Ms. Amina Mehri, Selçuk University, Konya, Turkey
M. Mohsen Slama, ISSTEG, University of Gabes, Tunisia
M. Aymen Dridi, ISSTEG, University of Gabes, Tunisia
Mss. Hadia Mizouri, University of Gabes, Tunisia

Abstract must be submitted as attached file to: IWFCISSTEG2020@gmail.com

International Water Forum Conference

Sousse, Tunisia, March 16-18, 2020

Scientific committee

Prof. Dr. Mohamed Faouzi Zagrarni, Univ. of Gabès.
Prof. Dr. Adel Kharroubi, Univ. of Gabès, Tunisia
Prof. Dr. Noureddine Hamdi, Univ. of Gabès, Tunisia
Dr. Nabil Khelifi, Senior Editor Springer-Nature, Germany
Prof. Dr. Nejib Kallel, University of Sfax, Tunisia
Prof. Dr. Habib Abida, University of Sfax, Tunisia
Prof. Dr. Salem Bouri, University of Sfax, Tunisia
Prof. Dr. Chafii Azri, University of Sfax, Tunisia
Prof. Dr. Abdallah Al Ahmaidi, U.M.Ismail, Morocco
Prof. Dr. Mabrouk Boughdiri, Carthage university, Tunisia
Prof. Dr. Younes Hamed, Univ.of Gafsa, Tunisia
Prof. Dr. Mounira Zammouri, Un.Tunis-El Manar, Tunisia
Prof. Dr. Abdallah Ben Mammou, Univ. Tunis-El Manar
Prof. Dr. Hedi Inoubli, Univ. Tunis-El Manar, Tunisia
Prof. Dr. Ammar Mlayeh, CERT, Tunisia
Prof. Dr. José Joel Carrillo-Rivera, U. N. A.de Mexico
Prof. Dr. Ali Rıza SÖĞÜT, Selcuk University, Turkey
Prof. Dr. Cengiz OKUYUCU, Selcuk University, Turkey
Prof. Dr. Karim KOÇAK, Selcuk University, Turkey
Prof. Dr. Veysel ZEDEF, Selcuk University, Turkey
Prof. Dr. Belgacem Houha, Abbas Laghrour Algeria
Prof. Dr. Slimane Kachi, University of Guelma, Algeria
Prof.Dr. Abdelaziz Abdellaoui, Univ.Moulay Ismail, Morocco
Prof. Dr. Abdelkader Chahlaoui, Univ. Moulay Ismail, Morocco
Prof. Dr. Samir Kamel, University of Gabes, Tunisia
Prof. Dr. Nejib Ben Jemaa, Univ. of Gabes, Tunisia
Prof. Dr. Mohamed Gasmi, Carthage univ., Tunisia
Prof. Dr. Chedly Rabiaa, univ. of Mannouba, Tunisia
Ass. Prof. Dr. Amjad Kallel, University of Sfax, Tunisia
Prof. Dr. Laurent Dezileau, Univ. of Montpellier, France
Prof. Dr. Yacine Djebbar, University of Annaba, Algeria

Publication

Some selected high-quality papers will be submitted after the conference for publication in topical collections of the *Springer journals*. All papers will be peer-reviewed before final acceptance for publication. Authors of the accepted papers will receive a "*Springer Acceptance Certificate"* after publication of the special issues.

IWFC2020 organized by :

- University of Gabes, Tunisia / Institute of water sciences and techniques
- University of Moulay Ismail, Mekness, Morocco
- Technical University, Konya, Turkey
- Selçuk University, Konya, Tunisia
- International Association of Geologists, RGFS

Abstract must be submitted as attached file to: IWFCISSTEG2020@gmail.com
